

**We provide you a super breeding ground,  
so you can grow your business quickly!**

## **THE AUSTRALIAN HI-TECH AGRICULTURAL DISPLAY CENTRE**

Supported by the Chinese government, and located in the ONE and ONLY China National Agricultural Hi-Tech Industries Demonstration Zone in central China, this display centre is poised to become the super promotional platform for the Australian agricultural products and innovations.

We urge you to take this rare opportunity and secure one of the remaining exhibition spaces.
